

The image is a detailed cadastral map of a rural area, likely in Italy, showing land parcels, roads, and buildings. The map is divided into sections labeled "FOGLIO 16" and "FOGLIO 10". A prominent red line with arrows indicates a proposed or existing path or boundary. A green line runs vertically through the center. Various parcels are numbered, and some buildings are shaded in grey. The map includes labels for "Strada", "Verme", "Ria", and "Formiera".
